WHAT VISUAL ARTS CAN YOU TEACH FROM THE TMC LAB?

1. Sculpting (using clay, playdough etc.)
2. Painting (paint, brushes, nature items, etc.)
3. Drawing (pens, pencils, crayons, colored pencils etc.)
4. Architectural (any building blocks or manipulatives)

OPTION 1

Nature Picture Frame: You will design and build a picture frame using items found in nature and supplies from the TMC Lab.

OPTION 2

Abstract multimedia Art: You will use TMC Lab supplies to replicate a picture of your choosing in an abstract way.

ABSTRACT ART
