

PETER KIEWIT FOUNDATION ENGINEERING ACADEMY

PROGRAM OVERVIEW

Peter Kiewit Foundation Engineering Academy seeks to recruit and retain students who are committed to supporting and advancing women in engineering in the state of Nebraska, providing students who have financial need with the resources to pursue careers in engineering, computing and construction.

This program is grounded in The Complete Engineer® at the University of Nebraska-Lincoln College of Engineering, ensuring students participate in experiential learning in tandem with the technical expertise and education provided by a Big Ten degree.

Full Tuition & Fees

Housing & meals up to 4 years
